2. Description of Services

Legit Market provides users with Steam Wallet top-up services using the payment methods available on the website. Prices and amounts are shown in Georgian lari (GEL); the payment provider may process the payment in a different currency at its own exchange rate.

Main terms of service:

- top-up amount: from 2 GEL to 600 GEL per payment (current limits are shown on the order form);
- estimated crediting time: from 1 to 30 minutes.

The service completion time may be extended for reasons beyond the service's control, including technical delays on the part of payment systems, infrastructure providers or third parties.

3. User Obligations

The user undertakes to:

- provide accurate and up-to-date information about the Steam account;
- not use the service for unlawful, fraudulent or prohibited purposes;
- comply with the rules of Steam and of other third parties related to the use of the topped-up funds;
- promptly report problems with payments or crediting of funds;
- not take actions capable of disrupting the operation of the service or circumventing its technical restrictions.

The user is responsible for the correctness of the data entered. If an incorrect Steam login, profile link, email or other details are specified, the service does not guarantee that the order can be correctly fulfilled or that funds can be refunded.

4. Refunds

A refund is possible only in the following cases:

- a technical error on the part of the service;

- impossibility of providing the service for reasons beyond the user's control;
- funds not credited within 24 hours of payment confirmation, if the order has not been fulfilled.

The refund is made by the same payment method that was used for payment or, if a refund by the original method is impossible, by another available method at the service's discretion.

The refund period is usually 3–5 business days, but may depend on the rules of the payment provider, bank or other financial institution.

5. Liability

The Executor is not liable for:

- acts or omissions of Steam, payment systems, banks and other third parties;
- blocking, restriction or other measures taken in respect of the user's Steam account;
- changes to rules, fees, exchange rates, technical requirements or other terms on the part of Steam or payment providers;
- delays caused by communication failures, maintenance work, force majeure or other circumstances beyond the service's reasonable control.

The service is provided on an "as is" and "as available" basis to the extent permitted by applicable law.

6. Changes to the Terms

The service may at any time amend these Terms of Use unilaterally by publishing a new edition on the website.

Continued use of the service after the updated terms are published means the user agrees to the new edition.

7. Termination of Access and Refusal of Service

The service may restrict or terminate the user's access to the services, and refuse to process an order, if there are grounds to believe that:

- the user is in breach of these Terms of Use;
- inaccurate data has been provided;
- the transaction is related to fraud, abuse or other unlawful conduct;
- fulfilling the order may result in a breach of the law, the rules of payment systems or the service's internal procedures.

9. Final Provisions

These Terms of Use enter into force upon their publication on the website and remain in effect until replaced by a new edition.

These Terms of Use are governed by the law of Georgia, without prejudice to the mandatory consumer protection rules applicable to the user.

If any provision of these Terms of Use is found to be invalid or unenforceable, this does not affect the validity of the remaining provisions.
